The Year of the Deacon

Presenting our Deacons and the parishes in which they minister

This map (courtesy of Google Maps) was extracted from our archdiocesan website www.adct.org.za, and reflects the exact location of each parish in our Archdiocese. Unfortunately, due to space constraints we could not feature some of the outlying parishes of the Archdiocese.

Those deacons who did not submit photos in time for publication are: Arthur Classen-Elsies River; Edward Hansen-Lavistown; Herbert Carolissen-Welcome Estate; Ronald de Vos and David Calthorpe
