

## **Umthandazo ka Papa u Francis ku Mama wethu**

Mariya Mama wethu, usoloko usikhanyisela endleleni yethu,  
Njengo phawu losindiso ne themba lethu.

Sinikela kuwe abo bagulayo, abasemazantsi ko mqamlezo,  
Bona bahlanganiswa nentlungu zika Yesu, abathi banyamezela elukholwenu lwakho.

Khusela bonke abantu,  
Uyazazi izidingo zethu,  
Kwaye siyazi okokuba uyakusi nika, konke esikucelayo,  
Nanje ngo mKana e Galili, sifumane uvuyo nololwanbo emveni kwelixesha libuhlungu.

Sincende Mama wothando,  
Sizinikele kwintuntuzelo yokwenza intando ka Thixo,  
Senze nesikucelwayo ngu Jesu.

Ngoba yena wazithathela kuye intlungu zethu,  
Wabuthwala ubunzima bethu ngomqamlezo,  
Kwade kwase ku vukeni kwakhe.

*Amen*

Siyasabela kuwe, Hlathi lethu,  
Mzalikazi Ongcwele ka Thixo,

Uzungayideli imithandazo yethu,  
Ekusweleni kwethu,  
Koko usikhusele kuzo zonke iingozi ngamaxesha onke,  
Wena Virigo odumisekileyo nosikelelweyo.
