

Hello fellow Catholics,

Living Chapels unites concepts of Nature, Art, Music, and Architecture to inspire people to join together in caring for our world. It is a sacred space of serene harmony inspired by Saint Francis of Assisi, Pope Francis, and the UN's Sustainable Development Goals. Laudato Si' is alive in the gardens of the Christian Brother's Centre with Sacred Spaces encouraging collaboration to protect and rehabilitate the natural environment through physical actions.

To celebrate God's Creation and our South African Cultures, encouraging collaboration, the Catholic Justice and Peace Commission of the Archdiocese of Cape Town invite you to join:

## A South African Celebration of Holy Mass in Creation

On Saturday 12 September 2020 at 3:00 PM SAST participants representing the diverse South African population will be gathering in a beautiful sacred space in God's creation for the sacred celebration of Holy Mass. We welcome people from all over the world to come to share in a South African sacrament of Thanksgiving for the gift of creation.

Season of Creation this year, amid crises that have shaken our world, we're awakened to the urgent need to heal our relationships with creation and each other. This is a time of restoration and hope, a jubilee for our Earth, that requires radically new ways of living with creation.

Global Catholic Climate Movement members know that when we come together we can achieve change. And, the more people who join in these events, the more our movement will grow.

Hope to see you there,
