

## Teenager and Family Preparation for Confirmation

## #5 The Future as a Catholic (1)

Parents and Teenagers – How about a frank and caring conversation? **JUST LISTEN TO THE HONESTY OF EACH OTHER.**

Teenagers and Parents each have their hopes. **God has a plan!** Each one has to find this out – with the help of God & those who love us

### My Future as a Catholic (1)

Getting Married?  
Staying Single?  
Work Future?  
Or What ...?

Am I just drifting into my future  
without any goals or aims?

**How much are my  
Catechism Classes  
helping me to make a  
choice for my future?**

**How about a Prayer for my  
future or maybe the  
decision I have in mind?**

*Discuss any of these with your family,  
your sponsors and good friends.*

### What will Our Son/Daughter to Choose for the Future (2)

What are my plans  
for the future?

What would we like our teenager to become?

Is it much different to the choices we made?

What options are open  
to our Teenager?

Are we open to a different choice  
by our Teenager?

What will we have to do to help  
him/her once a choice is made?

**Pray a Prayer for your  
Son's/Daughter's future**

*A Prayer:  
Parents & Teenager  
Read: Matthew 19:16-22*

What are my  
special Talents  
or Gifts?
