Theology Course 2023 – Archdiocese of Cape Town

Dear Bishops, Priests, Deacons and PPC Chairpersons

The Archdiocesan Theology Course will begin again in February 2023. This will be Year Two of the three-year cycle of theology lectures in the programme, which in its totality aims to give a grounding in the fundamentals of Catholic Theology. Participants are welcome to start the course in any year of the three-year cycle.

The series of lectures is outlined below. These lectures will be offered via Zoom again this year.

This course is aimed at those who are involved in parish ministry, particularly Catechism and RCIA teaching, but it is also suited for those involved in the different aspects of the Liturgy and those who assist in pastoral work such as counselling, marriage preparation and baptism preparation. The course is also ideal for those who are seeking to broaden and deepen their understanding of the Catholic Faith. Those who are at the very beginning stages of discerning a vocation to the permanent diaconate are also encouraged to participate in the course. This course will equip participants for more effective pastoral ministry in their home parishes.

Please promote this course among your fellow parishioners and ask them to register via the Google form link. We look forward to a fruitful and exciting start to the Theology Course in 2023.
